GENERAL INFORMATION

Grace Christian College is a private, non-denominational, institution of higher learning governed by a dedicated Board of Trustees. The institution had its beginnings in early 2017 when a pastor and laypersons in the Clermont area committed themselves to realizing their vision of a local evangelical Christian institution emphasizing free grace. Grace Christian College is a work of God's grace. God placed the burden for this educational ministry upon the heart of Dr. Khalilah Cole, who attended Grand Canyon University and Destiny School of Ministry for post grad studies, Kettering University for grad studies, and University of Detroit Mercy along with Lawrence Technological University for her undergrad studies. She has served in ministry for over 18 years. Grace is strategically located in the Clermont, Florida metropolitan area. The main administrative offices, located in the four corners area, include classrooms, faculty office, and resource center.

As Grace begins to significantly grow, so shall its teaching sites. The purpose of Grace Christian College is to teach Christ and empower and inspire students for Christian service and lifelong learning. We are praying that God will allow us to train people who have a vision for reaching out in the name of Christ. From the first few students to our future graduates, God has brought us quality individuals who are serious about the study of the Word of God. The students come from many backgrounds, some with years of experience and some as recent converts. Many are current church staff members serving as pastors, youth pastors, and Christian educators. Some are businessmen and laypersons interested in and challenged to utilize their ministry gifts in service for Christ. Every student is important to us at Grace. In the classroom, students are challenged to understand the Word of God as we teach a consistent and uniform system of theology. In individual, one-on-one conversations and online learning, the students are pointed to the Word of God by dedicated faculty and staff. All of this interaction, classroom and individual, culminates in the preparation of students to minister in a real world to real people with the love of God, a love that cannot be earned. This is the vision, purpose, and the challenge of Grace Christian College.

Our Mission

Grace Christian College is an evangelical Christian institution of higher learning and has as its purpose the offering of programs of study in an environment where academic excellence is emphasized, and a biblically based perspective is maintained. Grace is committed to enriching its students spiritually, intellectually, and professionally, and to preparing students to serve God in a global and culturally diverse society.

Vision Statement

To develop spiritual leaders in every nation who can teach and disciple others about Christ and His Kingdom.

Purpose and Objectives

Grace Christian College is committed to living, learning, and worshipping as a community of faith based upon the grace of God. Through the faculty, staff, administration, and trustees, Grace strives to lead students to a correct understanding of doctrine with the necessary skills to communicate the Truth. We live by the spirit of God to love one another, to challenge one another for greater growth in the Lord, and to walk together with integrity in this world. Grace Christian College seeks to prepare others to proclaim God's Truth courageously to a world that is in need of hope. We want to glorify God by walking in God's grace, ministering God's Word, and equipping God's people. As an academic community of faith, Grace seeks to guide students:

- To develop a personal Christian philosophy of service and an ethical and spiritual commitment which is based upon and examined in the light of biblical revelation.
- To grow in an understanding of the Word of God that is textually based, theologically consistent, and scripturally sound.
- To develop effectiveness in the use and understanding of communications, both written and spoken, employing analytical and logical thinking in the process.
- To become a contributor to God's kingdom in a manner consistent with historical, conservative, evangelical Christian principles, leading and participating responsibly in local church, community, and world affairs.
- To accurately handle the Word of God in ministries appropriate to their calling.
- To grow in understanding, appreciation, and application of biblical exegesis, biblical and systematic theology, biblical interpretation, hermeneutics, history, the church, and global ministry opportunities.
- To prepare students to make life-long commitments and investments of their lives in Christian ministries.
- To prepare students for continuing study by becoming acquainted with electronic technology resources and methods of scholarly research.

Core Values

- Grace Christian College is committed to and intentional about our Christian faith.
- Grace Christian College will responsibly teach the Truth of the Gospel.
- Grace Christian College strives for excellence.
- Grace Christian College believes in the importance and cultivation of Christian character.
- Grace Christian College believes in impacting and changing the world for Christ.

Philosophy of Education

We believe that mankind was created in the image of God and was given the responsibility of caring for all things that God has created (Genesis 1:27). We believe that all people have many

abilities and that we need to help them to develop these God-given talents. These principles apply equally to men and women, young and old. Because of our high calling, we need to excel in all educational programs, providing a systematic and comprehensive training in the Word of God. Therefore, it is imperative to have professors and staff that are competent in their respective fields, who receive evaluation regularly, and who constantly seek ways to improve professional skills. Our Christian philosophy is reflected in the Bible-centered curriculum taught by well-trained and dedicated Christian professors. Our faculty uses textbooks authored by scholarly writers that maintain a commitment to the Bible as the divinely revealed guide for all people. The faculty teaches and students study without fear of their academic freedom being violated and without fear of any kind of discrimination. Each student is granted the right to learn, to inquire, and to explore without restraint. This freedom is guaranteed when a corresponding liberty of instruction is granted to instructors. These rights are extended to the student and faculty members within the parameters of sound scholarship and within the appropriate framework of Biblical foundations and institutional sphere granted by the Board of Trustees.

Ethical Values and Standards

Grace Christian College is an institution that emphasizes the importance of the Christian perspective in all of its academic endeavors. At the heart of its mission and purposes is the School's commitment to the values and principles of the Christian faith through grace. By accepting the identity of being Christian, Grace makes both explicit and implicit promises about the relationship between its words and actions. This means that integrity defines the very core of its existence as an institution of higher learning. Grace recognizes that it must demonstrate integrity in its practices and relationships. It is necessary that the School be able to show not only that it has policies and procedures, but also that those policies and procedures reflect the values and practices of its mission. Grace demonstrates integrity by its classroom performance, public representations, distribution of information, business practices, contractual arrangements, and relationships with internal and external constituencies. We adhere to the code of ethics accepted by the academic community as well as its specific standards of Christian behavior. Academic integrity is inherent in the nature of our educational tasks. This is reflected not only in the unique relationship between faculty and student but in the manner in which the School represents itself to the public. Grace identifies itself as an evangelical Christian institution of higher learning, which indicates that the academic programs are developed and implemented for a perspective that is distinctly Christian. Grace believes this perspective is consistently expressed in its written documents, academic programs, and in the conduct of its faculty, staff, administration, and students. Every faculty, staff, and administrator at Grace is required to be a Christian in practice and belief and must give a statement of faith as part of the overall interview process for employment consideration. Students are informed about the ethics and values of Grace and agree to abide by the codes of conduct as described in the Student Handbook. Grace believes that Christian values and practices form the basis of all academic and administrative departments.

Doctrinal Statement

The Bible

We believe that the words of the Bible, the 66 books of the Old and New Testaments, are “God-breathed.” They give humankind His authoritative revelation, wholly without error of any kind on every topic discussed in the original writings. We believe that the Bible must be interpreted as language is normally used, recognizing the importance of dispensational distinctions. (Psalm 12:6; 119:89, 130; 160; Isaiah 40:8; 55:8-11; Luke 24:27, 44-47; John 5:39, 17:17; Romans 15:4; 1 Corinthians 2:9-10, 13; Ephesians 1:10; 3:9; 2 Timothy 3:16-17; James 1:21; 1 Peter 1:10-12, 23-25; 2 Peter 1:19-21).

God

We believe in one God eternally existing in three persons: Father, Son, and Holy Spirit, each of whom possess equally all the attributes of deity and characteristics of personality and with each having specific work to perform. We believe that God is a personal being who is the Creator and Sustainer of the universe. (Matthew 3:16; John 10:30; 14:10; 14:26; 15:26; Ephesians 1:3-4; 6-7; 13-14)

Jesus Christ

We believe that God the Son, Jesus Christ, became flesh through His miraculous conception in a virgin by the Holy Spirit and His birth. He is, therefore, perfect and complete deity and perfect humanity, these being united without mixture in one person forever. We believe that He lived a sinless life and voluntarily and vicariously paid for the sins of all mankind by dying on the cross. We believe in the resurrection of His crucified body, in His ascension to heaven, in His present ministries in heaven, and in His future literal return to the earth. (Psalm 2:7; 110; Isaiah 7:14; 9:6; Micah 5:2; Matthew 1:18-25; 28:19; Luke 1:26-35; 2:52; John 1:1-3, 14, 18; 3:16; 8:58; 10:30; 17:5; 20:28; 1 Corinthians 15:1-20; Galatians 4:4; Philippians 2:5-8; Colossians 1:14, 15-17; 2:9; 1 Timothy 2:5; Titus 2:13; Hebrews 1:1-3, 6, 8-12; 4:15; 13:8; 1 Peter 1:1; 2:22; 1 John 2:1-2; 3:16; 4:10, 5:20; Revelation 1:17-18; 19-20)

The Holy Spirit

We believe that the Holy Spirit is God and that He has come to reveal and glorify Christ, to convict sinners of sin, righteousness, and judgment, to regenerate, indwell, seal, and baptize believers into the body of Christ, impart gifts to believers, and to enable them to live holy lives. (Genesis 1:2; Psalm 139:7; Isaiah 40:13-14; Matthew 1:18-20; 28:19; Luke 1:35; John 1:13; 3:3-8; 6:63; 14:16-17, 26; 15:26; 16:7-15, 13; Acts 2:1-4; 5:3-4; Romans 8:9; 1 Corinthians 2:9, 10, 12; 6:19; 12:13; 2 Corinthians 13:14; Ephesians 1:13-14; 2:22; 4:30; 5:18; 2 Thessalonians 2:7; 2 Timothy 3:16-17; Titus 3:5; Hebrews 9:14; 2 Peter 1:20-21; 1 John 2:20, 27)

Creation

We believe that the Genesis account of creation is to be understood historically and literally and not allegorically or figuratively. We believe that man was created in the image of God and that the first man, Adam, sinned, bringing spiritual death to all, who, therefore, stand condemned and in need of Christ's salvation. (Genesis 1; Romans 1:20; Colossians 1:15-20; Romans 5:12; Romans 7).

Salvation

We believe that God saves by grace when we confess that we believe in our Lord Jesus Christ in our hearts, confess our sins, and turn from our wicked ways.

The Christian Walk

We believe that although sinless perfection is not possible in this life, all believers are called to live holy lives in the power of the indwelling Holy Spirit. (John 17:17; Romans 8:1-17; Galatians 5:13-25; Ephesians 5:26-27; 1 Thessalonians 4:3-4; Hebrews 10:10, 14; 1 John 3:2)

The Church

We believe that the church, the body of Christ, began on the day of Pentecost and is composed of all who receive Christ through faith. We believe God's program for the Church is distinguished from His program for Israel described in Daniel 9. We believe that all believers should assemble regularly in local churches for worship, for observing the ordinances of water baptism and the Lord's Supper, for mutual encouragement and discipline, and for carrying out God's purposes in this world. (Acts 2:41-42; 10:44-47; 11:15-17; Romans 6:4-5; 12:3-8; 16:1, 5; 1 Corinthians 11:23-31; 12:12-13, 27; 16:19; Galatians 3:27-28; 6:2; Ephesians 1:22-23; 2:16-22; 5:24-25, 30; Philippians 1:1; Colossians 1:18; 1 Thessalonians 1:1; 5:11; Hebrews 10:24-25)

The Future

We believe that the personal and imminent return of Christ to rapture His church will be followed by a period of tribulation on this earth. At the conclusion of this period, Christ will return triumphantly and inaugurate His millennial reign over this earth. We believe in the everlasting conscious blessedness of the saved in the New Jerusalem and the everlasting conscious punishment of the unsaved in the lake of fire. (Matthew 24:21, 29-30; 25:31, 46; 1 Thessalonians 1:10; 4:13-18; 5:4-10; Titus 2:13; Revelation 3:10; 20:1-6, 11-15)

Satan

We believe that at some time in the past Satan led a rebellion, including a host of angels, against God and was expelled from the heavenly kingdom. Satan, also called other names including the Devil, is a real being who has tremendous, but limited power, and is

the true adversary to God's people. Satan is destined to be judged and will endure eternal punishment in the lake of fire. (Ephesians 6:12; 1 John 3:8; Revelation 20: 1-3)

The PhD degree, by comparison, purposes primarily to equip students to engage in scholarly research and teaching.

The Doctor of Ministry program allows students to remain in the location where they are ministering except for attending intensive courses. Each course builds on ministry experience and endeavors to integrate learning with the student's present ministry as well as his or her future goals. The Doctor of Ministry is an advanced professional degree designed to broaden the student's vision of ministry, deepen their theological foundation for ministry and enhance one's ministry skills.

The program focuses on practical ministry from a biblical and theological perspective. Courses are planned to challenge and enrich the student both personally and professionally. This happens in several ways:

- Interaction with outstanding resident and adjunct faculty mentors who have proven track records in ministry.
- Exposure to contemporary resources that are designed to help keep one's ministry both biblically accurate and culturally relevant.
- Camaraderie with ministry peers that will encourage one's heart and stimulate the mind toward thoughtful enhancement of ministry.
- Involvement in practical ministry projects that will enhance one's current ministry.

WHO WOULD BENEFIT FROM THE DMIN PROGRAM?

Pastors, including "senior," "lead," and associate pastors who are currently involved in Christian ministry would benefit the most from the DMin.

In addition, para-church ministry personnel (i.e. Young Life, Campus Crusade for Christ, missionaries, etc.) will also find that the DMin program would enhance their ministry skills and perspective.

Grace, being a global educational institution, anticipates that international students will also benefit from the DMin program as they serve in their own country and prepare to become leaders within their Christian community.

DMin Project (8 Credits Hours)

The Ministry Project phase of the DMin program begins when coursework is completed. It is designed to synthesize ministry knowledge in a doctoral level practical ministry project.

1. Pre-Residency 4 credits (approximately 2 months) — preliminary reading and other assignments
2. Residency — one week, intensive classroom interaction
3. Post-Residency 4 credits (approximately 2 months) — a final course assignment that applies what you have learned to life and ministry

DMin Project Focus (Choose One)

Students choose four courses from one of the following tracks:

Ministry Track

Counseling and Leadership Track

Practical Theology Track

Missions Track

Interdisciplinary Track

If upon review this paper does not demonstrate an appropriate level of these abilities, the student may be admitted into the program but will not be allowed to begin work on their final project until improvement has been shown through the papers that will be written in the three Core courses.

If the student still has not shown improvement after the three required courses, it will be incumbent upon the student to obtain outside training in these areas and demonstrate proficiency to the Dean of DMin Studies. Only after this happens will the student be allowed to register for their final project.

DMin Program Learning Outcomes
